INTERVIEW REQUEST

Sir,

Applicant requests a telephone interview to discuss teachings of McElwrath, Ziv-el, and Henson with respect to the two attached proposed claims. The first proposed claim contains each element of claim 38 of co-pending application 10/815,330. On October 16, 2007, Applicant, Examiner Cameron Saadat (Art Unit 3714), and Examiner Kang Hu (Art Unit 3714) discussed claim 38 of co-pending application 10/815,330. (The claim was a proposed claim at that time.) The summary of that interview follows:

“Proposed amendment to the claims were discussed during the interview. The examiner agreed that the proposed amendment to the claims overcome the current prior art of record. After formal submission the examiner will consider all applicant’s arguments and amendments with a subsequent search. No agreement was reached on patentability.

Please note that McElwrath, Ziv-el, and Henson are all of record in 10/815,330.
